

Steri-Wrap® I

Sterilization Wrap

Product Description

Steri-Wrap I is a blue, water and alcohol repellent wrap. It is made of wet formed nonwoven fabric, manufactured from natural wood pulp and polyester fibers. Steri-Wrap I does not contain any natural latex rubber. It can be used to contain instruments during steam, ethylene oxide or gamma radiation sterilization.

Steri-Wrap I should not be used in dry heat, chemical vapor or hydrogen peroxide sterilization.

Steri-Wrap I is available in sheets

31101200 Steri-Wrap® I - 12" x 12" Wrap - 1 Case of 1000
31101500 Steri-Wrap® I - 15" x 15" Wrap - 1 Case of 1000
31102400 Steri-Wrap® I - 24" x 24" Wrap - 1 Case of 500
