

PRODUCT DATA SHEET

4810 PRINTY DATER

11.06.2019

PRODUCT CHARACTERISTICS

Product Name	4810 P2
Benefits & Features	<p>THE MOST SOLD TRODAT PRINTY DATER GETS A FRESH LOOK!</p> <p>PERFECTLY LEGIBLE DATE in 3,8mm font size</p> <p>CLIMATE-NEUTRAL. AS STANDARD. This Original Printy is climate-neutral. As standard.</p> <p>INTELLIGENT DESIGN & ECO FRIENDLY Designed to be smaller and lighter than its predecessor, allowing for more comfortable, easy handling. Produced from post-consumer recycled plastics using renewable energies to make it ECO friendly.</p> <p>PRECISE IMPRINT POSITIONING The indicators and see through frame enable accurate impressions and precise alignment.</p> <p>BEST ERGONOMICS WHEN SETTING THE DATE Due to the larger & smoother wheels & wide clearings there is more distance between your fingers and the bands with ink, keeping your fingers clean at all times.</p> <p>STAMP LOOK The stronger base plate creates a stronger stamp. The Grip Zones on the side provide the best handling. The branding is centered on the handle to create one family look.</p>
